## MEDAL URGED FOR MAUI HERO

HIS LIFE SAVING DEED TO BE PLACED BEFORE THE CARNEGIE COMMISSION.

Acting Governor Atkinson has received from Senator Hayselden the necessary affidavits regarding the heroic life-saving act of Kuaiwa of Lahaina, and the matter will be placed before the Carnegie hero medal commission. According to the usual custom, the commission will take the matter up and decide whether or not one of the medals should be awarded to Kuaiwa. The affidavits show an act of great heroism in saving the life of a Japanese, as already described, and it is thought that a medal will be awarded.

## NEW MACHINES FOR HUMUOLA

MANAGER EBEN LOW SENDS TO CHICAGO FOR FOURTEEN SHEEP SHEARING MACHINES.

Eben Low, manager of the Humuola sheep ranch, has ordered fourteen sheep shearing machines from a Chicago firm. The machines have been used with great success in Australia and are much easier on the men and sheep than the method of shearing them by hand.

The machines are run by gasoline engines which are used also in pressing the wool. The ranch expects about 90,000 pounds of wool this season and in order that the crop be handled properly by the new machines a man will be sent out with them to install the plant and show the ranch people how to do the work. The sheep on the Humuola ranch have a range of 50,000 acres and the wool from them is said to be in demand on account of its cleanliness.
